

DOLLY FESTIVAL STREET PARADE

Narromine's Dolly Festival is set to be the event of 2020! A jam packed program for April 2020 includes live music, street parade, family-friendly events and so much more! Dress as Dolly, or Kenny, come with a group of friends or pack the kids up for a weekend away.

Our beautiful town Narromine is set in the heart of the Macquarie Valley Central West NSW, on the banks of the Macquarie River. Located just 25 minutes west of Dubbo, there is plenty to keep you entertained in our region and why not help out a community who have been affected by the drought. See you in April!

As part of the community day (Saturday 18 April) the Dolly Committee is holding a parade with colourful floats, cars and entertainers.

The parade is a wonderful opportunity to celebrate our community, its creativity and showcase our many groups, schools, organisations and businesses to community and visitors. The committee is encouraging participants to be creative with their entry so spectators who line the city streets get to enjoy the colour, movement, music and fanfare of this unique event.

The parade will commence from the Narromine Railway Station carpark and make its way North down Dandaloo street to Second Avenue before performing a U-Turn and returning back along Dandaloo Street.

Be sure to be involved in this fun and creative display of community spirit and personality. Remember, your participation is limited only by your imagination!

Dolly Committee

ENTRY FORM

Gold Coin Donation Entry

Organisation / Group	
Contact name	
Postal address	
Phone	
Email	
Title of entry	

Entry details (tick the appropriate box, provide more details below if required)
